WEST VIRGINIA FAIRS, FESTIVALS, AND PUREBRED CONSIGNMENT SALES HEALTH REQUIREMENTS 2017

This is an official interpretation of regulations promulgated under the authority of Chapter 19, Article 9 of the State Code of West Virginia. This applies to fairs, festivals and shows.

- All livestock imported into the State of West Virginia for fairs, festivals, and shows shall be accompanied by an Official Certificate of Veterinary Inspection approved by the livestock health official of the State of origin. A copy of the approved Certificate of Veterinary Inspection shall be forwarded to the Director of the Animal Health Division, West Virginia Department of Agriculture, Capitol Building, Charleston, West Virginia 25305, and should be in his possession (5) five days prior to the arrival of livestock.
- Official Certificate of Veterinary Inspections (CVI) is good for 30 days. **All out of state cattle must have official identification listed on the health certificate.**

Any animal showing signs of a potential infectious or contagious disease will not be allowed to participate in the event.

- Note: Cattle and goats from other states with disease outbreaks may be required to secure a special permit from the Director of Animal Health Division, West Virginia Department of Agriculture, Charleston, West Virginia 25305, phone number (304) 558-2214, before being admitted into West Virginia.

*****If the animal is to be sold other than for slaughter, purebred consignment rules apply.*****

ALL LIVESTOCK MUST MEET THE STATE OF DESTINATION HEALTH REQUIREMENTS AS TO MOVEMENT OF ANIMALS. SOME VARIATION IS FOUND IN HEALTH REQUIREMENTS AMONG THE SEVERAL STATES.

The final disposition of all entries shall be made by a WVDA Animal Health Inspector or in their absence, a local fair official.

Official ID is a requirement for interstate movement for cattle, swine, sheep and goats.

FAIR HEALTH REQUIREMENTS FOR CATTLE

All out-of-state cattle must be accompanied by an Official CVI with Official Identification listed. Health certificates are good for 30 days. Nursing Animals – move with Dam. No CVI is required but must be listed on dam's CVI. All out of state cattle must have official identification listed on the health certificate.

****If the animal is to be sold other than for slaughter, purebred consignment rules apply.****

TUBERCULOSIS IN CATTLE

Cattle to be exhibited at West Virginia fairs, festivals, and shows must meet one of the following requirements:

From West Virginia:

No test required, if herd is not under quarantine for tuberculosis

From Other States:

- (1) From Bovine Tuberculosis Free State – No test required. Interstate CVI is required. All out of state cattle must have official identification listed on the health certificate.
- (2) From other than Bovine Tuberculosis Free State:
 - a. If originating from an accredited TB free herd – No test required, or
 - b. If herd of origin has had a complete negative herd test within 12 months - No test required, or
 - c. All other bovine require a negative TB test within 60 days of show.
 - d. Nursing calves may be shown on dam's negative CVI. All out of state cattle must have official identification listed on the health certificate.

BRUCELLOSIS IN CATTLE

Cattle to be exhibited at West Virginia fairs, festivals, and shows must meet one of the following requirements:

From West Virginia:

No test required, if herd is not under quarantine for brucellosis.

From Other States:

- (1) From Brucellosis Free State – No test required. Interstate CVI is required.
- (2) From other than a Brucellosis Free State:
 - a. Official Brucellosis vaccinates under 24 months (beef) and 20 months (dairy) of age from a herd not under brucellosis restrictions – No test required, or
 - b. Originating from a Certified Brucellosis Free herd – No test required, or
 - c. Complete herd test within one year before the show – No test required, or
 - d. A negative brucellosis test within 30 days. Nursing calves may be shown on the dam's negative CVI. All out of state cattle must have official identification listed on the health certificate.
