AGRICULTURE COMMISSIONER WALT HELMICK TO DISCUSS STATEWIDE CROP AGGREGATION INITIATIVE, OPEN POTATO PROCESSING FACILITY AT HUTTONSVILLE OCT. 16

West Virginia Agriculture Commissioner Walt Helmick will conduct a press conference Thursday, Oct. 16 at 2 p.m. at the WVDA Farm in Huttonsville to discuss his statewide crop aggregation initiative and to unveil a potato processing and packaging line at that facility.

The facility is located on U.S. Route 250 directly across the highway from the entrance to the Huttonsville Correctional Center.

For further information, or for members of the media planning to attend, contact Butch Antolini, Director of Communications, West Virginia Department of Agriculture, at 304-558-3708 or email at bantolini@wvda.us.
