West Virginia Senior Farmers Market Nutrition Program
Farmer Application
2026

As defined 7 CFR Part 249 of the Federal Register:

Community supported agriculture (CSA) program means a program under which a farmer or group of farmers grows food for a group of shareholders (or subscribers) who pledge to buy a portion of the farmer's crop(s) for that season. State agencies may purchase shares or subscribe to a community supported agriculture program on behalf of individual SFMNP participants.

Farmer means an individual authorized to sell eligible foods at participating farmers' markets and/or roadside stands, and through CSAs. Individuals who exclusively sell produce grown by someone else, such as wholesale distributors, cannot be authorized to participate in the SFMNP. A participating State agency has the option to authorize individual farmers or farmers' markets, roadside stands, and/or CSA programs.

Farmers' market means an association of local farmers who assemble at a defined location for the purpose of selling their produce directly to consumers. **PLEASE NOTE THIS REQUIRES A SEPARATE APPLICATION**

Roadside stand means a location at which an individual farmer sells his/her produce directly to consumers. This is in contrast to a group or association of farmers selling their produce at a farmers' market or through a CSA program. The term roadside stand may be used interchangeably with the term farmstand as defined in § 248.2 of this chapter.

Applicant certifies that it wishes to participate in the 2026 West Virginia Senior Farmers Market Nutrition Program (WVSFMNP). Applicant has received and read the **Farmer Guidebook** and agrees to comply with the rules and regulations within.
