2.) Fill out the back portion of this form, indicating tonnage by fineness and type.
3.) A minimum payment of \$10 is due if the inspection fee is over \$2. If the inspection fee due is \$2 or less, this minimum payment is waived.

5.) Return completed form with a check or money order payable to the West Virginia of Agriculture by July 31 or January 31 to avoid the late penalty.

All fees must be paid in U.S. funds drawn from a U.S. bank, unless the registrant includes an additional \$35 to cover the WV Treasurer's Office handling cost for processing a foreign check.

\*If the inspection fee has been paid by another person, invoice(s) must accompany this tonnage report.
